Chatsworth State School
Learners Flourish

To Parents/Carers and Chatsworth Community members,

This is our final newsletter for Term 3 and I want to thank all parents, students and staff for your valued and continued support. We have a few staff changes next term including Annette in the office five days per week, with Kristen three days per week until Louise returns from leave. Ms Jessop will be commencing in Term 4 relieving Miss Cran as she enters maternity leave. We all wish you the very best Ally and your family. Life is about to become very busy for you.

In term four we also start to look at classes and staffing for next year, if you know your circumstances are changing please inform our office. This certainly helps when we are building classes for 2026.

Our Year 5 camp is Week 2 Term 4 – please return any forms or contact the office if you require assistance with this process. Students in year 5 – to attend are expected to follow our Student Code of Conduct at all times.

Attached to this newsletter is a Parent Code of Conduct – Please read and remember that we all deserve respect through any forms of communication.
